

Summer Water Clinic 2012

The Manly LSC is running a summer water activities clinic for Nippers in January 2012. The main aim of the clinic is to further develop and enhance the water skills and abilities of all Nippers, with emphasis on those intending to compete at Branch and State Titles in 2012.

The camp will be held from Monday 9 January 2012 until Friday 13 January 2012. The following age groups will attend the camp on the days outlined below:

- **U14 Age group** – Monday 9, Tuesday 10 & Friday 13 January 2012
- **U9 – U13 Age groups** – Wednesday 11, Thursday 12 & Friday 13 January 2012

On the last day of the camp being Friday 13 all Nippers will be attending a movie at Manly Cinema.

Time: 9am – 3pm each day

Cost: \$120 per Nipper

Payment: To be made in CASH on the first day of attending the camp

What to bring: Board, swimwear, towel, goggles, sunscreen, wetsuit and water bottle – a smile and good attitude!

Parents of Nippers attending the camp will be required to assist in running the event. This is not a vacation care 'camp' but a fantastic opportunity for all Nippers and their parents to enjoy the many activities the Club runs!

If your child is interested in attending the upcoming water clinic, please complete the information below and return to louise.bochner@bigpond.com.au by **Sunday 2 January 2012**.
