Manly Carnival, 15th November

This weekend is our Manly carnival, so there will be no Nippers for the U6's & U7's and for those children not competing. Good luck to all competitors & teams. If you are not competing please come down & support your club mates. We also need as much help as possible on the day with organising the kids & ensuring they get to events on time. Please also help with erecting & dismantling the tents, as it is the responsibility of the age group to erect & dismantle the tents. No help means NO tent and with a 30-degree day predicted you will need the shade.

Please ensure your children are ready for marshalling at the correct time. During the Bennett Boards carnival there were many cases of arrivals after the event cut off time. At SLSA run carnivals such as Manly, **these stragglers will not be permitted to start**. It is also essential that any nipper entering the marshalling area must be wearing their nipper hat. We have 300 Manly nippers registered for this carnival so it will be a busy long day for all involved.

All parents please read the code of conduct in the Handbook, approaches to age managers and/or coaches (or their partners/wives) during the carnival are not on, they are busy enough. If you have any issues, refer them immediately to our Superintendent, Glenn Stone. Any official complaints from carnival officials regarding breaches of the code will be strictly enforced. This could result in the parent being asked to leave the beach and their child being withdrawn from the carnival.

4th WEEK WRAP UP

THANK YOU to all who worked so enthusiastically to make the nipper resuscitation and first aid day successful. We have the best instructors, age managers and helpful club members. Feedback from the kids is that they all enjoyed learning these important skills. Instructors reported that we have some great future R&R and first aid competitors amongst our clever nippers. The U14's also completed the 1st round of the club championships as they missed the original day due to the SRC.

BREAST CANCER BREAKFAST

You would be please to know that Manly Nippers BBQ raised over \$1600 on the national breast cancer day. Thanks to all who helped & to Harris Farm for donating the produce.

FUND RAISING BBQ

The BBQ is one of our most important fundraisers, we have the very kind Harris family from Harris Farm Markets donate the produce to us.

All we need is the parents to cook & serve. The BBQ roster is shown on the calendar, see the link above. Please all make an effort when it is your age group to give a hand; otherwise the age managers end up on the BBQ & not on the beach.

Also, if you can, please support Harris Farm Markets, the produce is excellent.
