Round 3, Club Championships 24th January

Club Championships is on this weekend for all U8 to U14 age groups. Please assist the age managers in organising the kids, as we all know that many hands make light work.

JUNIOR LIFE SAVER OF THE YEAR

Congratulations **Alex Pappalardo & Sita Mason** who have both been awarded 'Junior Life Saver of the Year' for the Sydney Northern Beaches Branch.

According to the judges, the standard amongst the representatives from the clubs had been exceptionally high, however the judges were able to select two "standout" representatives as winners. As both Alex & Sita were successful they will be going forward to the State round of judging as representatives of all lifesavers from the 21 clubs that form our Branch.

It has been some time since Manly LSC has had successful representatives in this Junior Lifesaver of the Year category at Branch level and their achievement this year is a true credit to their dedication as young lifesavers.

I'm sure the whole of our club will wish them every success at the State level that will be announced at the State Championships in February.

14th WEEK WRAP UP

Narrabeen carnival was held under great conditions and Manly had a turn out of approx 160 kids. The results were impressive with many individual, team wins and places across the age groups. This resulted in a big overall win for our club. The overall club results are as follows,

LOST PROPERTY

Every week we seem to accumulate nipper gear or have parents & kids asking if gear has been handed in. The new 'Nippers Lost Property Box' will now be in the board room/gear shed. It will be emptied every 2 weeks, so if you loose something or find something please go to the board room.

UNIFORM SHOP

Uniform shop will be open in front of the club on Saturday from about 8.00am until the girls get tired/bored. It will also be open on Sunday after Club Championships in the upstairs office. Long legged swimming togs are now back in stock.
