This week Cole Classic & Nippers

This week we have the Cole Classic swim as well as normal nippers on the beach. This will mean we will have to have nippers further up the beach towards the Corso as they expect 1000's to enter this event. We have the U6's, U7's & U8's On the BBQ as this is another great fund raising opportunity for us.

Contrary to last weeks press regarding MLSC, I would like to report that Manly LSC & Manly Nippers are in great shape, looking forward to the future, the 100 year celebrations & striving to make our club a great place. A very small minority did not agree with a democratically voted committee's decisions & decided to give up the positions they held.

We are also looking at changing the date of the U8 to U14 presentation day so it does not coincide with the school holidays, we will keep you informed.

And finally I would also like to welcome on behalf of the Nippers, MLSC's newly appointed General Manager, Mark Manion.

WEEK 15 & 16 WRAP UP

MLSC's All Australian Junior Surf Carnival for the U11 to U14 Nippers, was held on 23-01-11. Many good results from teams & individuals gave Manly LSC another win.

On Australia day 26-1-11 the U13's & U14's competed at the Freshwater Open Carnival. Manly won the carnival on 295, from Freshie on 143.

The U13 & U14's contributed 102 points to the Manly Tally (which would have placed Manly Nippers 5th overall)! If we include last years nippers (U15's) the U13; U14 & U15's scored 149 points - enough to win the carnival!

Club CC #2 was held last weekend & it was decided that the water events be cancelled due to safety concerns. The committee voted at the last meeting, that on Sunday 27th February we will hold the water events that were cancelled, providing conditions permit, and that that date is not used in the event of the Branch CC being cancelled the week before. Please keep this in mind.

FUND RAISING BBQ

Really important we get as much help as possible this week due to the Cole Classic

THIS WEEK SUNDAY 6-02-11, U6,7 & 8's

STATE CHAMPIONSHIPS

The state championships at Kingscliff is only a few weeks away.

- The club has organised transport of boards to & from Kingscliff for \$35.00 per board for those of you who are flying. You need to let Glenn Stone know by 28-2-10 at the latest if you are going to use this transport.
- We still need IRB drivers and crew for the state to make up our water safety numbers. If we do not get 1 crew for the carnival there is a good chance we will not be allowed to compete. If we have 6 drivers & 6 crew amongst our parents they can do a ½ day each to spread the load. Please contact Glenn Stone if you can help.
- We also need 2 more level one officials to make up our numbers, again if you have not already volunteered to help please let Glenn Stone know ASAP

BEACH TRAINING

There will be no sprint training for U6/U7 this weekend. This Sunday's efforts with Rubin will be on baton changes for the U8-U14 & Age Relay Sprint teams as this is the last opportunity to do so on a Sunday ahead of Branch.

Age Managers (U8-U14) should send their relay sprint teams for Branch across to Rubin. It will only take 10-15mins for each age group and will focus on setting up for baton change..
